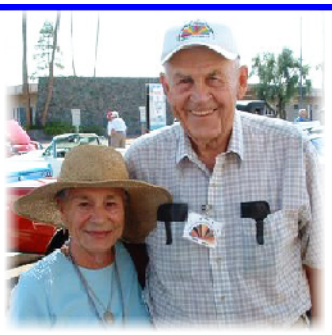
## GINNY AND DICK BECK



My first car was a 1940 Ford when I was in high school, it badly needed a paint job (among other things). This I accomplished at low cost with auto enamel applied with a large powder puff (no brush marks). I grew up in Grand Forks, N. Dakota and had built styling model cars for the Fisher Body Craftsman's Guild contest and had won some awards. I received a degree in mechanical engineering and worked for Delco Division of General Motors in Dayton, Ohio for a summer before being called for active duty in the Air Force. In Dayton, I met my wife Ginny, who also worked for Delco. We later married in Dayton and went off to New York state for an M.S. at Cornell. After working for McCulloch Corp. on outboard motors and go-cart engines, I went to work for Sundstrand Corporation on chemical pumps and later hydrostatic transmissions. I was in engineering management at Sundstrand for 27 years. Ginny was a stay-at-home mom when the children were young. She later worked for H. & R. Block for 15 years when we lived in Ames, Iowa. Ginny found our MGA at a garage sale in Ames in 1980 and our sons said, "Why don't you restore her?" (We named her Aggie,) I rebuilt Aggie's engine and transmission and got her running. However, before she was fully restored, we retired and moved to Sun City in 1992. The MGA rode out in the moving van and I finished her restoration in 1997 when we joined the C.A.R.S. Club. We have two married sons and one son has two children. They live in Oxford, Ohio and Athens, GA. respectively.

## THRU THE WINDSHIELD---BY YOUR PREZ!!!

Looks like we are going to have a good October this year. Car shows are rolling in and everybody is coming back to good ole Sun City. We need some new officers for this next year and we will elect them next month November 5 at the General Membership Meeting. We need a new President "for sure" as this is my second fun year. Please give me a call if you are even a little interested - as I will help you in the easy transition. You will meet such nice people and enjoy yourself.
PS - it doesn't take all your time either - call me at 623.698.3001. Thanks.
It's time to get our classic cars out of moth balls and get them back on the road. Lots of us meet at the Friday and Saturday cruise nights too. Have a good October and don't get scared of witches and ghosts - BOOOO.

**LADIES BUNKO** – Friday, October 12, 2012 - 1:00 P.M.
Well, it's time to get out the pumpkins, maybe turn off the air, and to remember that we start playing Bunko again in October. Sometimes we wonder where the summer went but hopefully everyone had a safe and wonderful time with many fond tales to tell us when we gather. We will be meeting at the home of MaryKay Campbell. Over the summer they have moved to 11145 W. Kolina Lane, Sun City, AZ.. MaryKay's phone number is 623-875-5139. Since a couple of you may not be back to Sun City for the winter, remember the policy is to contact a sub and let me know who will be playing for you. If you can't find a sub, get in touch and I will see who I can find to take your place. Looking forward to having a good time and talking about a couple plans for our Christmas gathering. So, don't miss out by not being there. Jan Lockmon 623.974.5424
